

CURRICULUM VITAE

ALEX P. LOZA

PERSONAL STATEMENT

As an artist, I am able to observe nature and all its aspects with a keen eye. Only if we take a moment from our fast pace lifestyles and view the natural world of majestic sunsets to the smallest seed, we will uncover masterpieces in our midst.

Each moment I face a new canvas I have the opportunity to incorporate my thoughts, energy and creativity even if I have painted the same concept numerous times yet it will always capture a new light.

As a realism artist, I believe it is a privilege to be able to portray the real life that surrounds me. I feel very fortunate to be able to live and paint at the same time.
